

Global Marshall plan Initiative (Nigeria) Update November 2007

Good News Good News Good News!!!

In past 12 weeks Liberty 4 Africa has made some bold steps to Delta State Government, multinationals, organizations, commissions and churches and other stakeholders in step to endorse the Global Marshall Plan Initiative for a worldwide Eco-Social Market Economy, in delta state, Nigeria.

We proud to share our testimony of our works to convince the Delta State Government to endorse the Global Marshall Plan Initiative for a worldwide Eco-Social Market Economy, in delta state, Nigeria.

Just recently, the Delta State Government however wrote Liberty 4 Africa and conveys the appreciation of the state to our proposal to launch the Global Marshall Plan Initiative in Nigeria and to commission a youth development/empowerment project – E-skills 360, 21st century employability skills for economic development and transformation.

The state Government has assures us their support, after a meaningful take-off of the scheme as thought-out by Liberty 4 Africa. Also the Niger-Delta Development Commission (NDDC) and Delta State Oil Producing Areas Development Commission (DESOPADEC) are presently discussing on supporting the vision of Global Marshall Plan in Nigeria.

In respect to the launching of Global Marshall Plan Initiative in Delta State, Nigeria, the event has schedule for shifted to April 2008; due other ministries in order parts of the country and nearby West African nations. We are also privilege that the presidency is also looking into the initiatives of L4A, in respect Global Marshall Plan Initiative aims and objectives.

The president Alhaji Umaru Musa Yar'Adua administration which is greatly dedicated in poverty reduction and improving lives, environmental protection and strengthens of the Energy sector and sustainable development Nigeria and beyond - this pilot project is a great solution for partnership with the Federal Government initiative - which will produce sustainable development for Nigeria, Africa and Europe.

Liberty 4 Africa been the national representative of Global Marshall Plan initiatives in Nigeria see the GLOBAL MARSHALL PLAN INITIATIVE aims and objectives as an intermediary step in achieving President Umaru Yar'Adua vision 2020 target. He also has expressed confidence in Nigeria's ability to attain the 2020 vision target, based on the remarkable growth recorded in the capital market over the last two to three years.

We agree with his opinion that his vision 2020 programme is anchored on making Nigeria one of the 20 largest economies in the world by the year 2020.

During this season lots of endorsers has been achieved, ranging from diversity of groups, NGOs etc.

Also in pursuit of this goal in the state and country L4A, has also mark out some strategic plan for 2008 to visit Church leaders this month, and discuss with the youth leaders and youth ministry on this sustainable development vision of Global Marshall Plan Initiative. – More information can viewed on www.liberty4africa.org

Finally, Liberty 4 Africa recently came into partnership with AfricaGreenFuture and in the year 2008 – a sustainable energy development project that will reduce unemployment, enhance employability, empower youth to become productive citizens, enable entrepreneurship, stimulate broad-based economic development, and accelerate social transformation.

These projects will carried out in 36 states of Nigeria and will co-ordinated by the endorsers of Global Marshall Plan Initiative (Nigeria).

L4A, is presently preparing a brochure of Global Marshall Plan Initiative past activities and future programs and all signatories of Global Marshall Plan Initiative in Delta State, Nigeria. This will published after the state launching in this 28th July 2007.

What is the fate of Africa in the 21st century, when war, AIDS, poverty and malnutrition continue to drive African dreams to an early grave? When will my people be liberated?

My mission is that Africans gain liberty from poverty, health hazards and a productive future. My dream is to realize an innovation that will unite Africa as one and bring peace to my motherland.

Aghogho Careca Akarue,

Coordinator Global Marshall Plan Initiative (Nigeria)

Thank you.
